Your Query	Date of Request	April 2017
<p>1. How many health buildings under NHS Orkney have been identified under the 'Risk-Based Assurance Following Edinburgh Schools Masonry Wall Construction Defects' report?</p> <p>2. What are the names of health buildings which have been identified?</p> <p>3. In a statement from Shona Robison we were told "intrusive surveys would often require a ward or facility to be closed". Therefore, how many wards or facilities are to be closed?</p> <p>4. What are the names of those wards/facilities?</p> <p>5. How long will the full process of these safety checks take?</p>
