

RE: Freedom of Information Request 201718 / 082 – Doctor Suspensions

Your Query	Date of Request	June 2017
<p>I would like to know:</p> <ol style="list-style-type: none"> Between 2012 and 2017, how many doctors were suspended under your health board? - This includes those who are still currently suspended. Can I have these figures broken down into calendar years? I.e. 5 suspensions in 2013, 6 suspensions in 2014. - If you could highlight those that crossed over into several years i.e. 2013/2014, that would be helpful. Can I also have these numbers broken down into job-group, i.e. surgeon, consultant etc. <p>With regards to the above questions, can you also tell me:</p> <ol style="list-style-type: none"> What were the reasons behind each suspension? How long has each individual been/was each individual suspended for? How many individuals continued with their original roles after their suspension ended? How much money was spent on locum doctors filling in during their time away?
