

RE: Freedom of Information Request 201718 / 101 - Cladding

Your Query	Date of Request	June 2017
<p>I would like you to provide me with:</p> <ol style="list-style-type: none">1. A list of your multi-storey hospitals (above 18 metres in height) that have (a) Celotex RS500 insulation boards, (b) Reynobond PE cladding or (c) any other cladding with a polyethylene core in them. For each hospital please provide me with: their address; construction date, and number of patient beds in the property.2. For each of the above, please provide electronic copies of the plans of the properties' fire breaks/barriers between floors and the cladding;3. A list of your other hospitals (below 18 metres in height) that have (a) Celotex RS500 insulation boards, (b) Reynobond PE cladding or (c) any other cladding with a polyethylene core in them. For each hospital please provide me with: their address; construction date, and number of patient beds in the property.		
Response		
<p>Please be advised that NHS Orkney is a small remote and rural health board which operates one hospital – the Balfour Hospital.</p> <p>The Balfour Hospital does not have Celotex RS500 insulation boards, Reynobond PE cladding or any other cladding with a polyethylene core.</p>
