

RE: Freedom of Information Request 201819/530 - Healthcare Environmental Services audit or inspections

Your Query	Date of Request	February 2019
<p>I'd like to request all documentation relating to NHS inspections, assessment and audit of work carried out by Healthcare Environmental group and its other companies on NHS contracts. These are, we believe, Healthcare Environmental Services Ltd, Healthcare washroom services ltd, Healthcare Sharp Systems Ltd. This list is not exhaustive.</p> <p>What inspections, assessment and audit of their work took place? If possible please give details of their nature and scope. How regularly were these carried out, and who carried them out? What were the results of those?</p>		
Response		
<p>NHS Orkney did not carry out any inspections, assessments or audits of Healthcare Environmental Services Ltd therefore we hold no documentation.</p>
